4mm Coroplast (Yard Signs)

4mm Coroplast

Coroplast signs are durable and a great option for outdoor signage. 4mm signs are typically used as yard signs.

Finishing

Cut to size. H Stands and grommets are optional.

File Type

Print Ready PDF file

Options: H Stand compatible, Real Estate / Corner Grommets,

Grommets:

If you select real estate grommets, the center of the grommets will be 4 inches from the left and right edges, and 1 inch from the top and/or bottom edge.

If you select corner grommets, the center of the grommets will be 1 inch from all edges.

Grommets are 0.75" in diameter.

Please Note: Though very rare, we may print your signs at 99.4% of the original size to ensure that we are able to include cut marks for proper finishing and trimming. We may also remove bleed.
