

The Print Shop

Our Postcards

Postcards are a powerful and cost-effective marketing tool. They are versatile and can be used for a multitude of purposes. Custom Postcards are particularly useful as direct mail. We offer Postcards in many sizes, finishes and stocks to really stand out among the crowd.

Matte Finish Postcards

Our Matte Finish Postcards have a velvety, smooth finish. These custom Postcards are our most cost effective option for an economical, practical marketing solution.

- 10pt Matte Finish
- 14pt Matte Finish
- 16pt Matte Finish

UV (High Gloss) Postcards

For an outstanding and reflective finish, choose our UV Postcards. Colors are saturated and images appear vivid with shine.

- 14pt UV
- 16pt UV

Lamination Postcards

Need a little more durability? Our Gloss and Silk Lamination offers an added layer of protection to our Postcards.

- 18pt Gloss Lamination
- 18pt Matte / Silk Lamination

AQ Postcards

Our AQ coating imparts a semi-gloss finish for a perfect amount of shine to complement any Postcard print design.

- 10pt AQ
- 14pt AQ
- 16pt AQ

Writable Postcards

Writable custom postcards allow your clients to write a personalized message. These cards have at least one side that is uncoated. Print them wholesale now!

- 13pt Enviro Uncoated
- 13pt Linen Uncoated
- 14pt Writable + AQ
- 14pt Writable + UV

Specialty Postcards

Custom specialty postcards come in beautiful stocks and finishes that you can offer your clients. Whether they have reflective foil ink or an elegant pearl stock, they're sure to stand out.

- Metallic Foil
 - Spot UV
 - Kraft Paper
 - Pearl Paper
 - Durable
